NATIONAL AIDS/HIV HOTLINE FACT SHEET

(800) 342-2437 (AIDS)
24 hours a day

GOAL: To provide information, education, and referrals, concerning HIV infection.

INFORMATION

EDUCATION: Information is provided over the phone and available in packets that can be mailed to the caller. They offer the following packets:

- 1) Basic packet on the transmission of AIDS.
- 2) Teachers packet on AIDS.
- 3) Parents packet on AIDS.
- 4) Students packet on AIDS.
- 5) HIV positive packet on AIDS.
- 6) Combination packet of the above five.

COST: Each packet is free but only one can be given out per phone call. For bulk orders call (800) 458-5231. There is a charge for bulk orders.

REFERRALS: If asked for, each caller is given a referral to a local HIV testing, counseling, or support site.

DEMOGRAPHICS: Demographic information is taken on random phone calls through a ten question survey. Surveyors ask questions, such as, how they found out about the hot-line, gender, zip code, income, age, and education level. All calls are confidential and no names are taken.

LANGUAGE: Offered in Spanish ((800) 344-7432) 8 a.m. - 2 a.m. EST, and also offered for the hearing impaired, ((800) 243-7889) 10 a.m. - 10 p.m. EST.

NOTE: Services are provided by the American Social Health Association under contract with CDC.
